

SKF TMEH 1 Oilcheek - SKF

Manufacturer: SKF

Model: TMEH 1

Description: The SKF TMEH 1 is a portable instrument that displays immediate information on the oil condition, which in many cases makes a lengthy laboratory investigation unnecessary. The unit measures the changes in dielectric constant of an oil.

Condition: Used

Stock: 1

External ID: 2831346

Internal ID: 11795

Category: Tools & Machinery

Subcategory: Tools & Machinery, Other

Dimension (L x B x H) [m]: 0,26X0,10X0,04

Weight [kg]: 1
